

# Sport at Westholme

Westholme views the role of sport as being of fundamental importance. We create opportunities to compete in sport and other activities to help children build character and to embed values, such as fairness and respect. Pupils' social skills are developed through team or group work, enabling children to work together and as individuals.

Sport teams will be selected after sports practices and placed onto the website and sports notice board.

It is vital that you give the teacher in charge of your team at least 3 days' notice if you are unable to attend a fixture in order to find a replacement in good time. This includes any reserves in a team.
